What we stand for

At T-Africa, we rely on our values to ground us, and ensure that we strive every day to achieve 100% customer satisfaction.

Honesty

Our core value. We take pride in being ethical and socially responsible and providing a service that is transparent and truthful

Integrity

We build our business relationships on trust and effective interpersonal communication.

Professionalism

Our blend of experience and expertise is your guarantee of a professional outcome.

Ethics

We apply our business policies and practices to measure our corporate governance, services, respect, social and fiduciary responsibility.

Respect

We value the views and needs of our stakeholders and team members and foster a culture of mutual respect.

Our Mission

To be a professionally driven, integrated service provider by choice with core capabilities in structuring clients' needs into a comprehensive SHEQ and training management system. T-Africa's principles are driven by the company's pillars – Our Values

Our Vision

To offer sustainable and quality professional services in order to address our clients' Occupational health and safety needs and expand their capabilities.

We strive to ensure our continuous personal growth, both in technological innovation, knowledge and skill development.

It is T-Africa's goal to transfer those skills and commitment towards Safety and the Environment to spread far beyond its personal parameters.

Ownership

We are a proudly female owned company, with a BBBEE Level 2 Compliance Certification

Meet The Team

At T-Africa, we rely on our values to ground us, and ensure that we strive every day to achieve 100% customer satisfaction.
